"EXPRESSIVE RANGE"

Talented husband and wife, multi-media artists, Jeremiah (Jerry) and Carolyn Cogan from Silver City are featured at the DAC from **September 2-29, 2021**. Jerry began taking art classes to relax and found watercolor to be his favorite medium. He also pursues drawing, oils, acrylic and sculpture. Also, photography is an art form he could pursue in limited available time. Jerry has won awards and has work in private collections throughout the United States, Canada and Europe. Carolyn began her love of photography with her first camera at age ten. From film to digital photography and photoshop she expanded her ability. She has been published in Black & White magazine and her photographs are in corporate and private collections throughout the United States. This will be a superb exhibit and one that we will all find something to love.
